
Gilbert Intermediate School – School Technology Contract with Students

I understand that using digital devices (whether personal or school owned) and the Gilbert Community Schools network is a privilege, and when I use them according to the Responsible Use Guidelines I will keep that privilege.

I will:

- Use digital devices, networks, and software in school for educational purposes and activities. This includes my school email account; I should only email for school purposes even if it is appropriate.
- Keep my personal information (including home/mobile phone number, mailing address, and user password) and that of others private.
- Show respect for myself and others when using technology, including social media.
- Give appropriate acknowledgement to others for their ideas and work.
- Report inappropriate use of technology immediately.

I understand that if I misuse technology, the following consequences are in place:

First Offense: Warning

Second Offense: Up to 1 week loss of technology privileges

Third Offense: Loss of school technology privileges for 28 days

*After third offense, the administration will handle each loss of technology privileges individually based on the type and severity of the offense. Steps may be skipped depending on the severity of the offense.
