What a great year we have had in the Gilbert district—not without some challenges—but a year that saw many improvements in the district. Our project based learning implementation was an amazingly successful blend of academic learning combined with value beyond school. We had everything from a Veteran's Assembly to a Dye Dash! Next year will be even more full of extraordinary events as additional teams of teachers have done all of the ground work for other projects to actively engage students in meaningful ways. We will try to keep you posted as these projects take place so you can share in these experiences. These units take an incredible amount of planning and preparation on the part of the teachers and we appreciate their willingness to go the extra mile to guide children through this type of learning. In addition to our strides in academics and continued excellence in the classroom, our extra curricular activities were also solid. Our athletic teams experienced outstanding seasons that included state appearances, playoffs, and winning records. Our fine arts groups continued to earn ratings at competitions that are exemplary and also included enormously popular shows put on by our thespians. I was able to be a member of the board of the FCCLA and gained a great understanding of the benefits of this fine program, which is just one of many programs in the district offering students a chance to use unique skills. I truly believe that our students from preschool through twelfth grade were able to experience a stellar year of learning and growing. We weren't free of disciplinary issues or struggles to figure out how best to help some students, but all in all, we can look back and recognize that in many lives our hard work paid off.

As we head into the summer months, we have several projects we expect to get done. One of our larger projects is new lockers in the elementary. We will be selling the old lockers if you would have an interest in purchasing them. We will be putting together a sale for June 9th at 4:00 in the elementary building. Any volunteers who help remove the lockers can have first dibs on them! These lockers will come out in sections. The cost will be \$10 per locker. The intermediate has a roofing project we will be tackling. The other buildings have the usual deep clean and touch up painting projects. Our custodial staff works hard all year long, but the summer requires an even higher level of labor. However, there are very few things that are as satisfying as having the schools bright and shiny ready for the students in the fall!

I hope you all enjoy your summer vacations, and we look forward to another strong year in 2016-2017.

—Lindsey Beecher

SAVE THE DATE: Thursday, June 9th VOLUNTEERS NEEDED!!

We will be tearing out the old lockers in the Elementary School building on Thursday, June 9th and we are looking for volunteers. Following the tear out of the lockers, they will be for sale starting around 4:00pm. Those who volunteer will have first dibs! The lockers will be sold in sections at \$10 per locker.

Chromebooks For Sale!

Beginning on **Tuesday, May 31 at 8 AM in the MS Office**, we will be selling tickets to purchase used student Chromebooks from the middle school. The prices are as follows: **\$20 gently used and \$10 used**

Tickets may be purchased on a first come first served basis. Chromebooks will be sorted by price and sold as is. Distribution of the computers will take place in the **Middle School Commons at 3 PM on Monday, June 6**. Each person holding a ticket will be given a Chromebook upon presenting the ticket. If a suitable Chromebook is not available at the time of your arrival, the purchase price will be refunded. Unfortunately, we cannot guarantee students will have the opportunity to purchase the device they used during middle school.

2016-17 School Registration

School Registration will begin **August 1, 2016**. The starting point for registration is **PowerSchool eRegistration**, an online electronic registration process. You will need to know your PowerSchool parent username and password prior to July 1st as there may not be office personnel available to provide this information to you in the month of July. Parents of 2016-17 Kindergarten students will receive their username and temporary password before the end of this school year (if you currently have existing students in Gilbert schools your username and password will remain the same).

PowerSchool houses the district student information database, which includes key information for every student in the Gilbert District. During the eRegistration process, parents log into the PowerSchool Parent Portal and enter/update key information into the system. Information that has already been entered in during prior years appears during the process, and parents will only need to make adjustments to that information if something has changed. If you have multiple children in the district they will all show up in your parent login account, but you will need to complete eRegistration for each student.

After the eRegistration process is completed, you will be able to view other forms (medication permissions, athletic physicals, etc.), and pay school fees online through the RevTrak Payment System.

Visit the Gilbert Website and click on Enrollment & Registration for more information as summer approaches.

If you have any questions, please contact Vicky Strom at stromv@gilbert.k12.ia.us or 515-232-3740.

Gilbert After Prom Thanks!!!

Thank you to all the parents, volunteers, and sponsors for their time, talent, and donations for the Gilbert HS After Prom! Special thank you to those who donated guessing jars, raffle items, helped set-up, operate, and tear down, decorate, and build props for After Prom. Additional thanks to Mr. Layne Billings, the HS office staff, the HS custodial staff, use of the kitchen and concessions facilities. We couldn't do this for the kids without everyone's help.

Health Reminders to Parents:

- 1) 6th grade parents check on immunizations. They will need Tdap vaccine before the start of 7th grade next fall by August 25, 2016.
- 2) 8th grade parents. Your student will need a dental screening form completed before starting 9th grade next fall by August 25, 2016.
- 3) Medications should be brought to the school by the PARENT especially ADHD controlled medication where the tablets will be counted by the Nurse or secretaries when it arrives. Each medication needs to be in its labeled prescription bottle or original box container.

Please have your student should stay home if:

- 1) Has a fever of 100 degrees or greater and not return until fever free for 24 hours not on Tylenol or Ibuprofen.
- 2) Has Diarrhea and only return when it has stopped for 24 hours
- 3) Is vomiting or has vomited and should remain home for 24 hours after vomiting has stopped.
- 4) Has an unexplained rash or skin lesions should be seen by doctor.
- 5) If has weeping skin lesions needs to have them covered and have seen by a doctor.
- 6) If they have colored drainage from eyes, or pink eye is suspected.

Feel free to call me and keep us updated on your child's health needs.

Sincerely,

Laura Metzger RN, BSN

*Just a
quick
reminder!*

Moving this summer??

If you are moving this summer away from the district or into a new home in the Gilbert school district, please call 515-232-0042 in order to keep our bus routes updated. Thank you!

GILBERT FINE ARTS BOOSTERS

Enhancing the fine arts programs offered by the Gilbert School System

About Us

The fine arts uniquely enrich and enhance our students as they prepare for the future. The Gilbert Fine Arts Boosters are a group of Gilbert area parents and patrons who volunteer time and resources to enhance the fine arts program offered by the Gilbert school system. We actively:

- Raise money to support the fine arts programs at Gilbert.
- Organize volunteers to support fine arts activities such as large group contests, theater productions, and concerts.
- Communicate fine arts priorities to Gilbert school administrators and the school board.
- Identify and meet the needs of fine arts teachers and staff.

Annual Fundraising

Every fall the Gilbert Fine Arts Boosters conduct a membership drive to generate funding to support ongoing fine arts activities at Gilbert schools. Each year we raise and distribute thousands of dollars that directly benefit Gilbert fine arts students: collegiate and music camp scholarships, instruments and equipment, meals for students attending honor events in art and music, middle school band pins, high school drama awards, meals for contest judges, music contest medals and accompanists, supplemental choir robes and band uniforms, money for drama production expenses, and more.

How Can I Get Involved?

We are always looking for individuals to get involved with the Fine Arts Boosters!

- Become a Booster member.
- Attend the Fine Arts Boosters monthly meetings.
- Sign up to help volunteer with fine arts events and activities.

Purple Comet Math Contest

Gilbert High School students participated in the Purple Comet Math Contest on April 20, 2016. The Purple Comet Math Contest is a contest for teams ranging in size from one to six members. The teams have 90 minutes to complete the 30-question test. The Purple Comet Math Contest is an international contest with 637 teams from the United States and hundreds more teams participating worldwide in the high school divisions this year.

Two teams of mathletes from Gilbert chose to compete in the contest. The Gilbert Red Team consisted of Ryan Blum, Brandon Crow, Bobby Rudman, Adam Simodynes, San-deep Stanley, and T.J. Swanson. The Gilbert Black Team consisted of Jack Kazwell, Quinton Nespor, Krishan Sritharan, Andrew Thatcher, and Laurence Vander Werff.

The teams had fun exploring challenging problems and competing with each other. This was the second consecutive year mathletes from the high school have participated in the Purple Comet Math Contest.

Training Schedule Summer 2016: Register Online at www.gilbertcsdcamps.org

	Monday	Tuesday	Thursday
7:15-8:45am	9-12 Speed & Strength	9-12 Speed & Strength	9-12 Speed & Strength
8:45-10:00am	7-8 Speed & Strength	7-8 Speed & Strength	7-8 Speed & Strength

**On Wednesdays from 8:30-9:30am there will be a make-up Strength session.

**Monday, July 4th will have no workouts. They will be moved to Friday, July 8th.

Tiger Strength Training

Our unique training program will train athletes to improve flexibility, explosive power, upper and lower body strength, and core strength. Training is designed to improve athleticism and performance for all sports. Athletes new to strength training will receive age appropriate training. Great attention is paid to learning proper weight lifting techniques, physical maturity, and safety. Strength training will begin on June 9th and go through July 22nd.

Tiger Speed Training

Speed training sessions prepare athletes for the speed of athletic competition by focusing on all aspects of speed and agility development in a competitive, team environment. Proper change of direction, jumping, and landing techniques are emphasized to decrease injury risk. These sessions will make you a faster, quicker, better conditioned athlete for any sport.

Speed Training will include:

- Dynamic flexibility and foot speed
- Linear acceleration/deceleration and first step quickness
- Explosive power development and balance
- Agility and reactive quickness
- Top speed and sprint technique

Jake Moore – Tiger Speed Director

Jake has been part of the Tiger Strength program on a year-round basis for nearly 5 years and has played a key role in the athletic successes here at Gilbert. Coach Moore is a Physical Therapist at McFarland Physical Therapy-Somerset, specializing in the treatment of musculoskeletal injuries. His strength and conditioning background includes working for programs at University of Iowa, Florida State University and Dartmouth College. Jake has designed strength and conditioning programs for Iowa City Regina, Iowa City, City High, Iowa City West, and Solon. His athletes accomplishments include; NFL Pro-Bowl, Olympic gold medalists, NCAA All-Americans, and High School State Champions. He is an Orthopedic Certified Specialist by the American Physical Therapy Association and is a Certified Strength and Conditioning Coach by the National Strength and Conditioning Association.

-SCHOOL NEWS-

Tiger Families,

Greetings! What an exciting time to be a Gilbert Tiger! We are eagerly waiting for our 2016 summer training season to begin. Summer training is a great time for teammates to train together and prepare for the upcoming school year.

Our summer program is designed to prepare student athletes for the demands of athletic competition and beyond. Speed and strength training sessions help athletes maximize their athletic potential and decrease injury risk. We want to leave the summer faster, quicker, and stronger than when we started.

This summer we are again adding to our program and will have daily Speed Training sessions for all of our athletes. In addition, we will be starting the day at 7:15am (compared to 6:30am in the past!).

**Note: Grades are based on the 2016-17 school year.*

Grades 9-12: Start time at 7:15am

All Athletes in grades 9-12 will start their day at 7:15am. Freshman will begin in the weightroom and then finish the day with their speed session at approximately 8:00am. Sophomores, Juniors, & Seniors will go through speed training first, from 7:15-8:00am, and then go into their strength training portion.

Grades 7-8: Start time 8:45am

Middle school athletes will begin their day with Speed Training at 8:45am and then go into their Strength portion after, finishing their workout session at 10:00am. Athletes can leave early if needed for any practices or games.

Sign-ups for our summer training are online at the link below. Our goal is to have every athlete participate in both the Speed and Strength portion during the summer. There is a \$75 fee attached to the Speed training portion of the program. Scholarships are available to cover this – no one will be turned away! The fee covers 15 sessions (there are 19 total). If you attend the first 15, you can come to the last 4 for free.

We have a couple means of communication within our program. The first one is Remind. To be added to our text list, text “@wt-room” to 81010. Our second avenue is Twitter. Our handle is @Tiger__Strength

GILBERT YOUTH SPORTS

Greetings!

This fall there will be a new flag football program available to Gilbert students in grades 1-6. This will be ran by Gilbert Youth Sports and will participate in the Central Iowa Rec League, which we currently play multiple other sports through. Below is some information in regard to the program. Official registration begins May 15. The deadline is the end of August. Contact me if there are any questions!

Graham Lundt
GYS Coordinator
lundt@gilbert.k12.ia.us
712 490 3940

Who can play? Girls and Boys, Grades 1-6

What league will they play in? The CIRL (Central Iowa Rec League). This is based out of Nevada. We are part of this league for volleyball, basketball, baseball, and softball.

When are practices? Exact practice times will be determined when August arrives. Tentatively, there will be two practices planned each week. These would begin when school starts.

When and where are games? League games will take place on Tuesday's starting September 13th and run for approximately 6 weeks. Games begin at either 6 or 7pm.

How will teams be organized? Teams will be 1st/2nd, 3rd/4th, and 5th/6th together. Each team will have a mixture of both grade levels. This is one of the league rules. The number of teams we have will be based on how many sign-up.

Who will coach the teams? Teams will be coached by our own parent volunteers.

Why the Central Iowa Rec League? There are many options out there for leagues but the CIRL fits the philosophy of Gilbert Youth Sports the best - and at very minimal cost compared to the others.

How much does it cost? The cost is \$55 - which includes t-shirt and mouthpiece. Scholarships are available.
