

Commencement

Students who successfully complete the course of study as prescribed by the Board of Education for high school graduation and who meet the requirements of the State Department of Education as well as the requirements of the statutes will be granted diplomas. Diplomas will be awarded once each year at the end of the second semester during the commencement ceremony.

Failure of a student to participate in commencement will not be a reason for withholding the student's final progress report or diploma certifying the student's completion of high school.
