Understanding: I understand that Gilbert CSD is focused on the education of all children, the health and safety of Gilbert students and staff, and the requirements of state and federal law. I understand that due to the COVID-19 pandemic, some learning opportunities may need to be modified in a remote environment. I understand that in order for a child to continue to participate in mandatory learning, his/her remote attendance will be taken, assessment administered, and grades will be counted toward my child's cumulative grade average. I understand that any devices, technology, or materials given to my child to facilitate remote learning may be subject to denial or withdrawal depending on whether state authority is granted/denied, the decisions of the Gilbert school board, and guidance pertaining to the COVID-19 pandemic.
