Gilbert Schools

Every Student. Every Day.

District Updates

August 28, 2020

We are two days into the 2020-21 school year and happy to be back. It is good to see our students both onsite and virtually.

School Pictures

This year all buildings are NOT on the same picture day schedule.

- Intermediate & Middle School - Sept. 1st
- Elementary - Sept. 10th
- High School - Sept. 24th

COVID Exposure & Quarantine

We have put together a short video explaining Gilbert CSD's exposure and quarantine plan.

Here is the [link](#). This will also be available on the COVID page of our website, along with the slides used. If you have any questions please feel free to contact our district office or Laura Metzger our school nurse, metzgerl@gilbertcsd.org. If there is a positive case at Gilbert CSD, Laura Metzger will work with Story County Public Health on contact tracing. All buildings and buses are using seating charts in case this work needs to be done. If a case is founded, families will be contacted by Story County Public Health.

Remote Learners

Attendance is taken once daily, through the parent or student check-in on Infinite Campus. Thank you for checking your student(s) in, daily. We have learned quite a bit in the last two days and we will continue to do so. You will find the [link](#) to taking attendance remotely on the COVID-19 page of our website. Please remember to reach out with any questions, we are partnering together on this journey.

Whether you are a remote, onsite, or homeschool family, we are all part of the same community. We are here to support you. Don't hesitate to reach out, we're all in this together.
