## DISTRICT UPDATE

September 4, 2020

Parents & Staff,

A full week is under everyone's belt, and what a good feeling that is. The students are doing a FANTASTIC job of following the mitigation strategies in all our buildings.

### **R EMOTE LEARNING WEDNESDAYS**

Our first Remote Wednesday went well. Thank you for checking your children in through Infinite Campus. Building schedules have changed due to COVID mitigations. Wednesday allows teachers time for grade level and department meetings, remote learning check-ins, planning for remote and onsite learners, and professional development. Our custodial staff is using this day for additional deep cleaning.

### **COVID UPDATE**

The district has put together a COVID dashboard. Here is the [link](#). This dashboard will update our community members on our quarantining numbers, COVID positive cases, absentee rate, and positivity rates in both Story and Boone Counties. This will be located on the COVID page of the website and updated daily, Monday through Friday.

Thank you for partnering with us and helping to make the transition back to school a smooth one. We may hit bumps in the road. We'll make course corrections as needed. Remember, we're here to answer any questions you may have.

Have a great Labor Day weekend.

#TigersTogether
