

Gilbert Schools

Every Student. Every Day.

March 11, 2021

We are looking at our one year anniversary of the pandemic. Things have greatly changed since last year at this time. We have partnered with Story County Public health to provide vaccine clinics for all staff wanting the vaccine. One hundred and twenty staff members are now fully vaccinated. March 24th is our last clinic and all remaining staff members that wanted the vaccine will be fully vaccinated as well.

There is a change to the district's mitigation plan. This [link](#) will take you to our website, click on the Health & Safety link for this information. This was shared at the March 8th school board meeting.

We are looking for feedback on Virtual Conferences. Use this [link](#) for the survey. Please take a few minutes to provide your input. This will close Monday, March, 22nd.

It is hard to believe we are thinking ahead to the upcoming 2021-22 school year. If you know you are moving out of the district please contact our registrar, Cassie Wendt, wendtc@gilbertcsd.org, at the district office.

As you begin your spring break whether it is relaxing at home or involves travel, stay safe and enjoy family time. Thank you for partnering with us. We are stronger together!
