COVID-19 Updates

The Gilbert Community School Board met this evening to discuss the latest updates from Iowa Dept. of Public Health (IDPH). The district has followed the CDC guidelines since the writing of the Return to Learn Plan. The decision was made to continue to follow the CDC guidelines on wearing of masks, through the end of the school year, June 3rd.

IDPH has issued new guidelines in response to when a child has been exposed or is positive with COVID. Use this [link](#) to the document. We will continue to be responsive as new information is released.

Thank you for working together with us.
