

# GILBERT COMMUNITY SCHOOLS DISTRICT GOALS

2022-2023

## GOAL #1

# #1

At Gilbert Community School District, students will show growth in the areas of reading and math as evidenced by the achievement on district and state assessments.

### ACTION STEPS

- Identify testing models utilized
- Review current data at team meetings
- Define and understand one year's growth
- Define a system-wide data review process
- Interpret data for all students and create plans

## GOAL #2

# #2

Gilbert Community School District will foster a district culture supporting the whole child including academics, wellness, relationships, and leadership.

### ACTION STEPS

- Continue our Portrait of a Graduate work
- Select tools to measure the whole child well-being, including conditions of youth survey; and/or Social, Academic, and Emotional Behavior Risk Screener (SAEBRS)
- Continue to provide opportunities for students clubs, trades, college credit, etc.
- Determine needs of our families from birth to 18, daycare, health care, and wellness care
- Provide instructional practices to support the whole child

## GOAL #3

# #3

Gilbert Community School District will work together to support each other and to create a community that puts students first.

### ACTION STEPS

- Identify needs to bring the district together
- Create opportunities for district-wide events to celebrate Tiger Nation
- Increase vertical articulation building to building

Every Student. Every Day.
