ADVANTAGE ADMINISTRATOR FLEX SPENDING PLAN EFFECTIVE 7/1/23-6/30/24	
Enrollment in Flex MUST be submitted by May 15, 2023	
<p>A flex plan allows a participant to set aside dollars each year from their paycheck to pay for qualified health and dependent care expenses. These dollars are deducted from wages before any income or social security taxes are paid. Participants save between 25-40% on dollars set aside through the plan, and employers will save 7.65% of every dollar participants set aside per plan year. By using this tax savings plan, participants will notice an increase in take home pay and have access to a reimbursement account throughout the year to pay for qualified expenses. All flex contribution amounts <u>MUST</u> be divisible by 12.</p>
