Retirement Investors' Club (RIC)

Look forward to retirement!

RIC 403b Program Summary

Iowa Retirement Investors' Club (RIC) - Your employer's 403b supplemental retirement savings benefit provides an easy way for you to save a portion of current wages for future income needs. Social Security (SS) and IPERS provide irrevocable income in retirement; RIC is your flexible income safety net. RIC has no vesting requirements. Certain plan provisions are customized by your employer (see https://das.iowa.gov/RIC/403b/plan_details).

403b Employee Contribution Account – Employee contributions to the 403b plan are through automatic salary reduction only. The total of all 403b contributions in a tax year must not exceed [IRS declared annual maximum limits](#).

- Contribution frequency options are set by your employer, including possible options for final pay
- Generally, there is no minimum contribution requirement unless specified by your employer
- Pretax and post-tax Roth option (if Roth available)
- Change salary reduction amount or stop at any time

Roll-ins - You have the option to consolidate retirement assets. Your RIC 403b account will accept rollover assets (pretax and Roth) from employer plans (such as 401k, 403b, 401a) and traditional tax-deductible IRAs. Assets rolled into RIC may be rolled out at any time without penalty or restriction. To roll assets into RIC, contact your RIC provider.

Tax Advantages - Tax benefits differ based on the tax treatment of payroll deductions and saver's tax credit eligibility. Contact a tax professional if you have questions about how these tax benefits may affect your specific needs.

- **Pretax** salary reductions are invested before state and federal income tax withholding.
- **Post-tax Roth*** salary reductions are invested after taxes are withheld.
- **The Savers' Tax Credit** of up to \$1,000 may be available if you qualify. (see https://das.iowa.gov/saver_credit)
